

## Mp3 Scott Goldman - Off Season

[DOWNLOAD HERE](#)

Instrumental fingerstyle guitar compositions from fiery to contemplative. 15 MP3 Songs FOLK: Modern Folk, EASY LISTENING: Mood Music Details: Scott Goldman has been playing guitar for over thirty years. He found his inspiration at Leo Kottke concert in the early 1970's and never looked back. As life takes its twists and turns Scott got a day job but continued to pursue guitar playing in his spare time. The compositions on "Off Season" were written over the last three years. They range from moody and contemplative (A Sonar) to more aggressive pieces like "Traffic Stop." After sharing some of the tracks with friends, Scott was encouraged to put together this CD.
