The highly anticipated debut album from ShoTyme is guaranteed 18 MP3 Songs HIP HOP/RAP: West Coast Rap, HIP HOP/RAP: Rap Details: ShoTyme started rapping 5 years ago back in high school. It all began when he started reciting rhymes in his head, which soon led him to write lyrics as often as possible. He developed a strict work ethic to better himself so that he could be transformed into the artist that he wanted to become. He had a strong will to record so that he could improve his skills and continue to get better. He soon realized that his producer could not keep up with the pace that ShoTyme was working at. So he took matters into his own hands by getting a Korg Triton and began producing. Two years later he started his own record label Deliverence Entertainment. Now, after 5 years of strict artist development, a demo a mixtape, ShoTyme releases his debut album Heated Controversy. With a guest appearance from multi platinum recording artist "The Game" plus an appearance from Hollow Tip many more, the album is a guaranteed hit. Make sure that buy as many as you can!!!!!! It's "ShoTyme" !!!!!!!
