[DOWNLOAD HERE](#)

Once again the king of comedic crossover takes on country, pop, jazz, zydeco, rock and shakes 11 memorably fun songs out of it. 11 MP3 Songs COUNTRY: Country Pop, POP: Quirky Details: Every Now-&-Then (Annually, it seems) enough Interestin' Lyrics pile up here off to WMNF DJ Bill Dudley's Studio we go! This (Admittedly) Hastily-Made CD was completed just before the (Now) Annual "PINEYFEST" Internet Writers' Confab held in Dickson, Tennessee, organized by Bobbie Gallup her Hubby, Corky Bernard. It's opened up a few Nashville Doors..Several of these Tracks are bein' considered by a Grand Ol' Opry Comedic Singer (Name Withheld so we don't Jinx Ourselves!) and "DEEP DOWN WE'RE DOGS" even got Serious Critiquer/Artist Extraordinaire Barbara Cloyd LAUGHIN' OUT LOUD during the Critique Session..(Thanks Barbara!)..so we think we got a Good One Goin' this CD Around! Little UPDATE: Somehow or other (One of Mah Heros) Bob Dylan's got ahold of this Baby MP3ed it to Many of His Wonnaful Musical Friends. ONE of these Songs is near-Definitely bein' Cut by a MAJOR Singer-Songwriter (whose Name I'll reveal Later so's not to Jinx Myself)..and Another of Mah Babies is gettin' cut by (I can't believe it EITHER) Eric Clapton. So..if ya wanna hear the ORIGINAL Version of this Song, get this CD. Gonna Sound a wee bit Dippo when ( ) Records it!
