Jared's love for music started early in his hometown of Albuquerque, NM. where he would listen to anything he could get his hands on for hours at a time, just "zoning out". "Filthy's" love turned serious when his family moved to Colorado Springs, CO. at the tender age of 13. This is where he would soon meet his REALHITS ENTERPRISE partners in Ronald and Reggie Spratley and eventually Jasen "RillA" Edwards. With the help of his three new friends Jared went on to establish REALHITS ENTERPRISE as a super production team and now THE M.O.T.H. as saviors to the world of rap music. Proven by his track record Jasen is confident he will achieve his goal and reach the top.
