Music is the Language of Heaven a song is the Language of the soul, the very finest in Jazz-Gospel, with a traditional base and a hint of Neo-soul. 11 MP3 Songs JAZZ: Smooth Jazz, GOSPEL: Traditional Gospel Details: THERESA MORTON Theresa Morton, Psalmist Thank You can be compared to medicine for the sick, a vitamin for the weak and a power bar for the strong simply craving their daily intake of energy. Join Theresa Morton as she ministers God's peace, love and understanding to all who desire to walk worthy of His calling and purpose - in victory! Currently, Dont give up Theresas pre-release single from her sophomore CD and book-(Dont give up, my journey to the cross) both scheduled to release fall 2006 /Spring 2007. Inspirational simply describes the fruits of her labor. Theresa has begun her own healing process through faith. She has chosen to share her pain and triumphs with her audience as a tool to inspire anyone to overcome any obstacle. Her journey to this point is certainly a story worth telling, a testimony encouraging us all to find the light in our own lives and allow it to be our guide, just as she has.
