Spoken word jazz inspirational easy listing 15 MP3 Songs in this album (48:48) ! Related styles: SPOKEN WORD: With Music, JAZZ: Smooth Jazz Details: This all started out as a hobby and as fate would have it,one thing led to another.Up until age 47 I had never written anything outhr than checks and on back of repair orders.One day after visiting with my cusion,who is an artist,I picked up the pen and began writting,and it seemed to flow pretty good.I would let my family and friends read my writtings and they would respond by laughing smiling our being touched in some kind of way.Another family asked me to read one of my pieces to her,she went thru a few emotions and said I think you have a very nice voice for this keep it up,family is family they might say anything,but I kept on writting and reading cause it is my thearpy,and with the encouragement of one of my brothers I went to an open mic I did not do well but I did enjoy it and continued to go back,perfect practice makes perfect and Igot alittle better each time.Time went on and we put some music with a few pieces and that was my begining to putting together this cd with the help and encouragement of family and friends my producer Oscar who heped me take this to another level.This is for the late bloomers, do what makes you happy.
