Comedy, amazing real life recordings of telemarketers who will soon be searching for a new job; very funny. 15 MP3 Songs SPOKEN WORD: Comedy Details: This album is a collection of the most hilarious and ridicules recordings that I have made over a years time. Each track features a clueless TELEMARKETER that seems to be oblivious to the fact they have called a PRANKSTER who has no intention what so ever in purchasing their offerings. Theres a guy in India who wants to sell me credit card insurancel want him to TAKE THE MEAT BACK! Theres a silly high school boy who cant believe the foul language hes hearing from an 89-year-old grandmother Please, just check out a few clips. Im only trying to help these people realize that their job sucks and they have got to move on. Please help the Society For The Elimination Of Telemarketing; BUY THIS CD! Thank You.
