CHECK IT OUT. 14 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Spiritual Rap Details: To wage war this day and age can be a dangerous stance. However when you war against the very thing that is destroying this generation, popular or not, Xile believes we have no option. At war with the world is the latest release from the Like of whom who has never been the arsonist himself Xile. This time around Xile declares war, against the world! The world that I am speaking of isnt the people of the world but the things this world represents. When asked to be more specific Xile broke it down like this. This world (life) teaches us to love things that contradict God and his Word. If you love this world the love of the Father (God) is not in you. I dont care what anyone says the things of this world (pride, lust, selfishness, envy, greed, jealousy) are not of God, so if those things are a part of your fiber, your acting out the love of this world and at war with an eternal, perfect God who had his Son (Jesus) die for our mistakes (sins), and thats not a side of the fence that I want to be on. In a battle against an all powerful, all knowing, all loving God! When asked what keeps you going, Xile responded The youth, the kids of this generation! This world lies to them and they buy hook line and sinker. They are made to feel that if they stand for something other than what is popular, trendy, cool or down they are wrong, nothing could be farther from the truth. To be a trailblazer or different doesnt make you any less real, it just means you have your eyes set on the prize. When I asked what do you mean eyes on the prize? Xile responded To be focused on an eternal perspective doesnt make you weak or not down, it just means you have a different perspective you are living for something bigger than yourself. You are aiming to please your Father in Heaven and putting His Word and ways above your own. That is a true soldier thats At war with the world
