Being rich has nothing to do with money; rather, it has everything to do with quality of life. People think that if they have more money, they will be happier. Take it from me, that is not true. Money makes life a little easier, but happiness does not come from money. You see, the truth is, it's not about the money. It's about obedience. It's not about what you have; it's about what's in your heart. What is the vision and purpose of your heart? Why are you interested in financial gain? Money is a means to the end, not the end itself. It is only a tool to advance things, to get a job done, and to fulfill the destiny of your life. Some of my greatest breakthroughs have come in the simplest things or through comments made by people. Obedience will take you further with God than you can ever take yourself. Strategies for Financial Breakthrough will lead you to discover life changing principles which provide solution to your situations. Author: Strite, Eugene Publisher: eGen Co.
