

The Deepest Sense: A Cultural History Of Touch - Constance Classen

[DOWNLOAD HERE](#)

From the softest caress to the harshest blow, touch lies at the heart of our experience of the world. The Deepest Sense: A Cultural History of Touch fleshes out our understanding of the past with explorations of lived experiences of embodiment from the middle ages to modernity. This intimate and sensuous approach to history makes it possible to foreground the tactile foundations of Western culture--the ways in which feelings shaped society. _x000B_ Constance Classen explores a variety of tactile realms including the feel of the medieval city; the tactile appeal of relics; the social histories of pain, pleasure, and affection; the bonds of touch between humans and animals; the strenuous excitement of sports such as wrestling and jousting; and the sensuous attractions of consumer culture. She delves into a range of vital issues, from the uses--and prohibitions--of touch in social interaction to the disciplining of the body by the modern state. _x000B_ Author: Classen, Constance Publisher: University of Illinois Press Illustration: N Language: ENG Title: The Deepest Sense: A Cultural History of Touch Pages: 00256 (Encrypted EPUB) / 00256 (Encrypted PDF) On Sale: 2012-04-19 SKU-13/ISBN: 9780252034930 Lib Category: Social history Lib Category: Senses and sensation - History Category: Social Science : Anthropology - Cultural
