Andrew Small has won two transatlantic tickets to attend a strange annual ritual held in Cooper Hill, England called RUNNING The CHEESE. Unknown to him and his brother Michael, it is the start of another adventure that dates back to the time of the Sepoy Mutiny in India in 1857 where a distant relative lost his life with hundreds of other British soldiers in the rebellion while stationed at Cawnpore. But before he died he entrusted a letter that would insure his son would inherit his estate and become the next lord of MacDonald Manor. The letter was never delivered; the son and his descendents never had the opportunity of gaining what was rightfully theirs until the Incredible Smalls become involved with the mystery of the Snake Charmer's Secret.
