

A Most Human Enterprise: Controversies In The Social Sciences - , John F. Galliher

[DOWNLOAD HERE](#)

A Most Human Enterprise looks at controversial social science research methods and their effects on subjects and researchers. In detailing case studies in which plagiarism was alleged, subjects were misled or seriously abused, and research denigrated certain demographics, Donald O. Granberg and John F. Galliher demonstrate how social scientists have strayed from the ethical standards of scientific research. Author: Granberg, Donald O. Author: Galliher, John F.
