

Mp3 7and5 - Trading Stories

[DOWNLOAD HERE](#)

Smooth electronics blended with lush and melodic new age, for a sound that soothes the mind and moves the soul, 14 MP3 Songs NEW AGE: New Age, ELECTRONIC: Pop Crossover Details: "Trading Stories" is the second album from New-Age/Chill artist 7and5. As a follow up to the 2006 album, "In A Moment's Time", 7and5 has dug deeper into the emotional waves (both up and down) that make up our days and lives. This is a more complex set of tunes, while still as engaging as ever for the listener. Strong, memorable melodies that have defined the 7and5 sound, continue to set this sound apart from typical New-Age or typical Electronica. Born of the concept that much "chilled" electronic music was often very sterile in terms of emotion, and much New-Age music had become very cliché in its production elements; 7and5 has continued to develop and expand on a sound that will draw you in with its melodies, soothe you with its rhythms, and even leave you humming a melody or two... For listeners of Ryan Farish, Enigma, Jon Hopkins, Moby, Amethystium, Keiko Matsui, Achilea, Kitaro, Yanni etc.
