alternative pop, country, adult contemporary for baby boomers 7 MP3 Songs POP: Folky Pop, COUNTRY: Country Pop Details: Steeped in the songs of the iconic singer-songwriters of the 50s, 60s and 70s - such as Hank Williams, the Beatles, Carole King, Joni Mitchell, James Taylor, Jackson Browne, et al. - Ar Adler creates a morphic synthesis of these influences, updated and infused with a unique personal style. Hailing from "America's Playground," Coney Island, Ar Adler paints audio pictures from her past and creates a sonic canvas awash with emotional experience. read what people are saying about Coney Island Rhapsody: Song of the Year Grammy winner Julie Gold says: "...I particularly like World of Pain and She Dont Love You That Way... great poetry and form! Jacqui from Huntington says: "...I truly get a sense of honest emotion through [the] words and voice. It is really a pleasure to listen to. I especially like World of Pain, Say Goodbye, and Elizabeth Barrett Browning Style, but there is something special about all the songs on the album..."
