Smooth Jazz. Solo jazz guitar renditions of standards and originals by a gifted and seasoned artist. 13

MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Lounge Details: Bob makes Jazz Guitar accessible with recognizable melodies, tasteful improvisation and a professional attitude. We call him the "maestro."

Eddie Mathis, Dreamcatcher Guitars, Roswell, GA. The challenge of playing so cleanly in this super-exposed setting is the most difficult format I can imagine. I am particularly impressed with the solid sense of time and the dynamics of picked and/or finger passages. I love the recorded sound of the guitar. The tune selection is very interesting. I know guitar players will love it! All decent players will see that in the final analysis it is really not enough to have good technique, equipment, and recording technique.

These are important, However, it is really about paying dues and spending decades with the "monster" in your lap developing the exquisite taste needed to pull off something like this. Bobby DePietro Bob is one of the most highly acclaimed guitarists in the Atlanta, Georgia Area. He's worked in many different settings including the Atlanta Symphony Orchestra, major big bands and jazz trio's. He is a respected arranger, composer and has contributed articles to Just Jazz Guitar magazine. He's given clinics and concerts for major guitar and amplifier manufacturers as well as colleges and music societies. He's been featured on albums with Syl Austin, Julius LaRosa, Danny Payne, Bobby Haggart and Maxine Sullivan.
