

Mp3 Boggie - Pop: Power Pop

[DOWNLOAD HERE](#)

Boggie's musical style is alternative power pop/rock with strong 80s influence. Boggie is the singer, songwriter, pianist, producer and audio-engineer on the entire album. Boggie's voice is a unique blend of Sheena Easton, Debbie Gibson, Celine Dion, Stev 12 MP3 Songs POP: Power Pop, POP: 80's Pop

Details: Boggie is a unique musician - a singer, songwriter, pianist, producer, audio-engineer. She is a rare talent in the ranks of Prince, Ray Charles, Elton John, Stevie Nicks, Fiona Apple. Despite her young age, Boggie produces her original material under her own record label B-Bug Productions. Boggie's musical style is alternative power pop/rock with a strong 80s influence. Boggie's voice is an unusual mix of Madonna, Sheena Easton, Debbie Gibson, Celine Dion, Stevie Nicks, all in one fantastic blend. Boggie has been recognized as a promising new talent in Europe, where she is originally from. For those listeners tired of bubble gum pop and meaningless lyrics, you are bound to discover that the miracle of professionalism and credible music is not lost. Boggie is a proud follower of generations with true musical spirit where sound matters and audio satisfaction is significant!!! If you listen to a broad range of music from traditional classic rock - The Beatles, Led Zeppelin and AC/DC to Madonna and Janet Jackson, you have just discovered a great new artist with a platinum future!!!
