

Mp3 Charlie Dodrill - Prologue To This Drama

[DOWNLOAD HERE](#)

Charlie's debut album has a great acoustic feel with plenty of funky grooves and haunting ballads, all setting forth honest lyrics of hope and freedom. 10 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Acoustic Details: Charlie began his music career when he was a monk (literally!) in a tiny cabin on a mountain in the middle of the desert between Utah and Nevada. One hundred and ten miles from the nearest streetlight, Charlie began picking up his guitar and just talking to the Lord. Talking became singing...singing became writing, and eventually, he came down from the mountain and began playing for other people. A couple of years later, he has landed in Nashville and is seeing where it all leads. His lyrics are painfully honest, but infused with true reality and a healthy dose of hope. What you hear is a series of intimate conversations between a guy and his God. Enjoy!
