a blend of acoustic rock and new age with southwest influences. 11 MP3 Songs NEW AGE: New Age, ROCK: Acoustic Details: Eclipse is a Phoenix based duo influenced by various styles of music creating their own acoustic/ new age sound. Desert Dwelling is a musical journey inspired by the spirit and beauty of the southwest, blending sensual rhythms, acoustic melodies and sun-drenched emotion into every song. Danielle and Derek Wilson, the driving force behind this duo, have worked in the music industry through out their careers, each contributing key-elements into their writing and performing style. Danielle originally began on the New York City music scene, playing with a wide variety of musicians at many of the cities most popular clubs. She has studied voice professionally and has been classically trained on the piano. Derek on the other hand comes from the West. A diverse musician, songwriter and recording engineer, he was able to work along side many influential talents while in Los Angeles, creating a strong foundation and direction for his diverse skills. A true emergence of East meets West happened when they met in Arizona and soon their new life and unique style was born. We hope you enjoy the music of Desert Dwelling as much as others have and find inspiration, peace and mystery in the songs. So close your eyes, open your mind and experience "Desert Dwelling." "An Eclipse Of The Souls."
