Gatja has established a unique sound by melding aggressive guitar driven riffs with acoustically inspired melodies that are all tied together by poignant and emotion-filled lyrics sung by one of today's most dynamic female singers. 11 MP3 Songs ROCK: Hard Rock, ROCK: Progressive Rock Details: Evolving out of the disintegration of several musical endeavors in early 2001, the band GATJA was established. The band's line-up was finally solidified in late 2001 when a second chance of fate stepped in and presented the band with their true "voice," a talented yet unknown singer who had recently arrived in the U.S. from across the Pacific. Since their inception, the band has taken a radical departure from the West Coast's musical manifesto by creating unique songs that embrace harmony, guitar solos, and memorable hook-laden choruses. The band managed to obtain a sound of their own while melding aggressive guitar driven riffs with acoustically inspired melodies that are all tied together by poignant and emotion-filled lyrics.
