

Mp3 Karli Fairbanks - Bitter Blue

[DOWNLOAD HERE](#)

Bitter Blue is a melodic folk album with country rhythms and instrumentation. The songs are mostly downtempo and lend themselves easily to softly rested shut eyelids. The melodies and harmonies sweep you in and out of a calm ocean. 12 MP3 Songs FOLK: Alternative Folk, COUNTRY: Alt-Country Show all album songs: Bitter Blue Songs Details: Karli Fairbanks has been playing music for about 13 years. With a classical background in piano, Karli has expanded her instrumentation knowledge as far as her fingertips have allowed her. When she started singing in high school the natural progression of writing songs followed shortly. Playing in different bands in her hometown has allowed her to experience many genres of independent music but she has recently found herself at home with her roots in country and folk. Her debut album includes 12 songs that she wrote, recorded and played almost completely as a solo experiment (with the exception of a few tracks).
