for the conscious in mind and heart, those who are awake will love it and those who are asleep will become enlightened to the point of realization, 360 degrees of knowledge and a 180 degree change from the every day booty music. This is music 17 MP3 Songs HIP HOP/RAP: West Coast Rap, HIP HOP/RAP: Spiritual Rap Details: Bio John Saucer jr. better known as KRAZITIAZI) who stands for (TRUTH), is one of the most innovative and versatile artists of our times, he has been writing songs and performing the arts since the age of fifteen years old but became serious about his music at about eighteen. While growing up in the hardcore streets of Oakland Ca. he has managed to overcome some of the most extreme obstacles that a young man could face, and yet through it all learned to transform a negative into a positive, in fact, all one has to do is listen to his lyrical content and the way he manipulates words and ideas and I guarantee he'll touch your spirit in ways you never thought a rapper could. He has performed at so many events locally that it would take this entire sheet of paper to name them all, such as the "la'pena" in berkeley ca. the "cara jama" in Oakland Ca. (on more then one occasion), mingles night club in Oakland Ca. defarmery park, several colleges locally and abroad as well as Los angles Ca. He has been performing for years and his stage presents speaks for itself, you'd truly have to see him for yourself to appreciate his poetry in motion. He is a member of ASCAP, as a writer and publisher and his current album features Samuel Prater, from the group" CLUB NUEVO", and he himself has also featured on Mr. praters new single which is on schedule to be released in february, 2005. Todays youth need the mature guidance of responsible artists to direct them away from the streets and dangers thereon, music has an affect on the mood as well as the attitude, spirit and mind frame of the individual, KRAZITIAZI has the ability to change the hearts and minds of todays troubled youth to that which is positive in a way that truly transcends all others. His close affiliates are many, but just to name a few, (singer songwriter Ronnie

everett who wrote the song "Dinner for two" sung by michael cooper, samuelle prater, from the hit group "club nuevo", askari-x, from Oakland's own R-B-Gs, producer Recardo love, Big squeez and many, many more). KRAZITIAZI is very much loved and has much love to offer, need I say more.
