

# Mp3 Less Than Seven - The Sweetness And The Broken

[DOWNLOAD HERE](#)

An almost perfect distillation of jangle, angst and hope in a edgy-folk style. 10 MP3 Songs FOLK: Power-folk, POP: Folky Pop Details: LT7's long-awaited follow up, The Sweetness and the Broken , finds the band strengthening their acoustic jam rock with prominent electric guitars, anthemic hooks, and a clean radio-ready production that brings them in line with the likes of the Wallflowers. This musical essay on hope in a world of broken hearts and desolation illustrates LT7's growth as a band; its best moments show that they're capable of writing a pop hook as easily as Train. This ten song showcase has all the trademark hard rock sizzle and acoustic jangle that made the first CD popular with its fans coupled with a polished sound that shows the band has matured since the debut CD.
