

Mp3 Mike Lane - Good Luck With Electricity

[DOWNLOAD HERE](#)

Melodic power pop with eclectic instrumentation. An album of many moods and sounds. 11 MP3 Songs

POP: Power Pop, ROCK: Folk Rock Details: Singer/songwriter Mike Lane :

poppy...moody....quirky...exuberant....emotional ...catchy songs that reveal their secrets over many listenings. " I remember rock 'n roll radiothe variety of sounds over one side of your favorite albumyeah, drums, bass and guitars - but a whole lot more : cellos , keyboards, the occasional blast of horns.... That's the kind of album I wanted to make. " And so he did. Along with co- producer Jay Krasnow , Lane sculpted a batch of his challenging pop tunes into a fantastic sonic experience. Many of the Twin Cities' finest musicians were enlisted to lend their talents. The Chicago Reader called Good Luck With Electricity "the note-perfect college rock album", and over one hundred college/community radio stations agreed , giving much airplay to many of the CD's tracks. Radio stations in Canada and 11 other countries also supported the disc.
