A guitar player going for a cheerful and relaxing kind of easy listening sound. Together with guest musicians such as Philippe Chrtien on the saxophon he succeeds in creating a unique style. 11 MP3 Songs EASY LISTENING: Love Songs, ELECTRONIC: Ambient Details: Nunzio La Vecchia presents his debut album Emotion and goes straigt to the top with it. The guitar player touches the heart of every listener with enchanting elegance and lovely realisation until the last detail (even the booklet is a sight for the eye!). Supported by known characters such as Philippe Chrtien on the Saxophon, Alex Wilson on the Piano, Luca Leonbruni on the Bass and the producer Jeannot Steck, multitalent La Vecchia succeeds in creating a master piece of art at first go. The artist - a full-time inventor in the field of technical sciences - has been running his own research and development center and patenting his inventions since 1996. Innovation also characterizes his standing in the field of music, where he is renown as a composer, guitar player, and pianist. Being a passionate aviator, he also continuously takes his PC-7 Mk II on lofty flights. Moreover, La Vecchia is also a fervent automotive sport enthusiast who - as a former race car driver - knew and knows no bounds, as in all his undertakings.
