Otra Nota meaning, another note, another sound, another style, signifies that their music is different from what has been heard and played until now in Reggaeton. Just like their name says, they shed to the musical industry a dose of new sound, style, and image. OTN began in the year 2005 in the city of Lawrence, Massachusetts. The members of the group are Louis Aquino; also know as, Louiso and Juan Salazar; also known as, Playtime. Louiso and Playtime unite their talents of song writing, singing and rapping to form the group. Later, they joined with Silva Productions Inc. and recorded their debut album Directo A La Cima. (Straight To The Top) Louiso was born in New York and lived a part of his life in the Dominican Republic. He later moved back to the United States. Louis is a singer, song writer, which focuses on positive romantic and strong clean lyrics. He dominates different styles of Spanish Rap as well as Salsa dancing. Louiso was influenced since his childhood by the salsa and Spanish hip hop genres. Some of the artists of these genres are Eddie Santiago, Franky Ruiz, Paquito Guzmn, Vico C, El General, and Rubn Dj. Playtime was born in Santo Domingo, Dominican Republic and now resides in the United Status. Playtime is a rapper that dominates different styles of rap. His lyrics are moving, romantic, and humorous. He plays with different styles just like his name says. (Playtime) Ever since his childhood he wanted to rap and was influenced by other music genres such as salsa and merengue. Playtime dominates improvisational rap as well as Latin dancing. The album Directo

a la Cima (Straight To The Top) has 15 songs in different reggaeton styles that invite a cadence to the body and a feeling to the ears. Directo a la Cima is produced by Luis Silva Jr. of Silva Productions Inc. The production includes special featuring artist such as the legendary salsa singer Paquito Guzmán, the merengue sensation none other than Julian Oro Duro, and more. The production Directo A La Cima contains fusions of Reggaeton with salsa, merengue, bachata, flamenco, cumbia, and others; in doing this OTN brings a different style all of their own and captures all the different Latin Music styles of America and Europe. The content of this production is for all ages, always sending a positive message, and always original making this production 100 commercial. If you think you have heard everything in Reggaeton, OTN has just opened a new chapter that will not only leave much to talk about, but it will share a great part in the evolution of the Reggaeton genre, which every day has more to show to the music industry. You know it.. OTN. HA HA
