An album of upbeat Pop songs by a new Australian Singer, Songwriter. 10 MP3 Songs POP: Today's Top 40, ELECTRONIC: Dance Details: Excalibur, the debut album from Phil MC, introduces a refreshingly genuine songwriter with an upbeat Pop sensitivity from Melbourne, Australia. The array of emotional lyrics, reflecting many of the true-to-life experiences captures the hearts of all who experience this music. There are 10 original tracks on the album, and the inspiration for the songs is as varied as life itself. There are songs about romance, peace, travel, love, adoration, realisation, politics, yearning and a whole lot more. And all in an upbeat Pop format!! If you would like to get iTunes or some Downloads, or some ringtones, drop by the Phil MC website store at philm.com.au. Support Indie Music!! Excalibur includes some inspirational upbeat Pop tracks such as "Saturday Morning", "You're the One", "It's Too Much" and "What I Really Want" and these are included in the 25th edition of the PopKomm 2006 AnR publication. You can join me at MySpace at myspace.com/philmcmusic. My upcoming second release is another 10 track album, titled "Stay Tuned", with more upbeat Pop grooves to keep the airwaves alive.
