

## Mp3 Sgx - Chroma

[DOWNLOAD HERE](#)

This is a diverse collection of electronic music styles. Some intense, beat-driven, music, some melodic, ambient, orchestral, and a lot in between. Mixes of trance, techno, bigbeat, progressive breaks, ambient, hip hop, and chillout. 12 MP3 Songs ELECTRONIC: Breakbeat/Breaks, ELECTRONIC: Ambient Details: SGX is back with Chroma, a collection of electronic music that will blow. your. mind. Do you like huge beats, crazy synths, epic melodies, and/or soul-shifting soundscapes? If you checked yes for any of the above, Chroma is the album for you! Chroma is 12 tracks totalling 64.5 minutes of pure audio awesomeness. Also included on the disc as CD Extras is Coactive, the interactive audio toy. Put the disc in your CD ROM drive and you can arrange and build a song in real time along with crazy cool visuals.
