

Mp3 Shannon Cutts - Dream Of A Forgotten People

[DOWNLOAD HERE](#)

Dream of a Forgotten People is an acoustic pop gem - with her sophomore release (following 2002's Modern Day Eve) Shannon her producer, MD Thompson, have created a moving musical experience of what happens when 'our deep need to serve and the world's de 10 MP3 Songs POP: Folkly Pop Details: As the 2004 Billboard World Song Contest winner (CCM/Gospel Category) Shannon knows the power of a song to change a life - starting with her own! A songwriter since she was 8 years old, Shannon has always had a passion for marrying her music with a worthy cause. She returned from a Summer 2003 trip to Costa Rica determined to find a way to raise support for Gail Nystrom's Costa Rican Humanitarian Foundation, which she decided to do in the way she knew best - through music. Assembling a talented team of sponsors and musicians, Shannon created Dream of a Forgotten People to encourage others to lend their support to Ms. Nystrom's life-saving work. Proceeds from sales of Dream go to support the Foundation's work and are tax-deductible. key-to-lifeand shannoncuttshave more information about Shannon, her youth outreach work with eating disorders addictions, her debut release (Modern Day Eve), and how to contact her!
