Inspirational pop/rock music that grooves, with lush instrumentation, dreamy harmonies, thoughtful, soul-searching lyrics and sweet, pure whispery vocals 12 MP3 Songs POP: Folky Pop, EASY LISTENING: Mood Music Details: Singer/songwriter Spring, is the archetype of a true independent musician. Working hard to develop her craft, as well as promote her career, she has earned recognition both for a tireless work ethic, as well as an angelic voice and the inspirational quality of her original music. Two albums, The Spring Thing and Transforming, and consistent touring have gained the New Jersey resident critical recognition, radio airplay and growing popularity among her fans. Her music is a combination of pop/rock with a groove that bears her signature of unique artistry in storytelling, musical composition, stirring vocals and accomplished performances. During her musical career, Spring has enjoyed writing, performing, recording and sharing the stage with a diverse mix of musicians such as legendary Roger Waters of Pink Floyd, Loudon Wainright III, Dave Sharp (the Alarm) and Jeffrey Gaines just to name a few. She loves butterflies which represent transformation and has begun designing colorful crystal jewelry which is available at many of the venues where she performs live. Some PRESS REVIEWS include: Spring has an amazing falsetto which is rare in female voices" -Robert George, Nashville Producer." Spring has often been compared with Sarah McLachlan, yet, to fully appreciate her originality you must see her live! A fan describes, "Spring's essence shines through her performances in a life-affirming way that will stay with you long after the show ends." "With an engaging stage presence and voice that grabs you and refuses to let go, Spring writes about life's ups and downs with integrity and courage...a definite breath of fresh air."- Uncle Mike, Music Writer, Two River Times, Red Bank, NJ "Her talent is in the ability to pair her angelic, otherworldly voice with music that will find you dancing around your living room...Do yourself the favor of ordering this CD. Every song on it is absolutely FANTASTIC. It

hasn't left the CD player since it came into the house." -Gina Grega, Editor-In Your Face Magazine, CA
"...What is most amazing and breathtaking is her voice. It is one of the most expressive, passionate and
beautiful instruments I have ever heard." -----Listener, Fan Visit Spring online at springmusic.net
