Nouveau retro pop rock, modern songs with 1960's to 1980's influences. 13 MP3 Songs POP: New Wave, POP: Beatles-pop Details: Nouveau retro pop-rock music: Modern rock that reminds you of the songs you used to enjoy hearing from your radio. This is music you can sing to . . . and laugh, and cry, and dream to . . . songs that still have catchy melodies, harmonies, lyrics, and hooks . . . lyrics you can actually understand . . . without the anger, hate, self-degradation, and continual screaming often heard today. This is the music of Stone Marmot, who are mostly noted for their quirky humor, but who can also get serious and thought provoking. The pop sensibilities of the Beatles, the energy of the Ramones, the quirkiness of Elvis Costello and They Might Be Giants, with harmonies like the Beach Boys. Listen for yourself . . . Note: Our CD is manufactured by a very reputable manufacturer (NOT a CD-R). All the CD packages are shrink-wrapped.
