

## Mp3 Sunfleurs - In Love

[DOWNLOAD HERE](#)

Pop Rock 12 MP3 Songs POP: California Pop, ROCK: Modern Rock Details: The Sunfleurs were formed in early 1996 in San Diego, CA and released their first CD that same year. They demonstrate their musical ability in performing all original compositions. They have performed professionally in many major events and venues. The Sunfleurs have opened for various National Acts to include The Ben Taylor Band (James Taylor and Carly Simon's son), Go-Go's, Lori Carson and Duncan Sheik. All of the members possess early professional musical and recording backgrounds. January 2004 they released their new CD recorded and produced at Studio West in San Diego. The Sunfleurs' CD is carried at Tower Records, Borders Books and Music, Music Trader, Off the Record and Pay-Pal Shops (under Books Music and Media Entertainment).
