She began performing at the age of 14, with her first public appearance at a DeLeon, Texas tractor pull. In 1980, Susan recorded Giving Up Easy on B B Records. Giving Up Easy was chosen as Billboard magazines Pick of the Week and rose to chart position 42 in the Cashbox Country Charts. At the age of 15 she began working at a local country music radio station behind the air waves. Susan has been involved in country radio ever since, evolving into on-air and music programming. After a twenty year break from performing live, Susan and her father decided to record one more just for fun. This CD is the result.
