

Mp3 Vector 7 - We Have Arrived

[DOWNLOAD HERE](#)

Techno, House, Trance, Ambient and Electronica all orchestrated with a aggressive beat. Two bonus tracks that are remix for club or house parties. Continuous groove non stop once you start the CD. 10 MP3 Songs ELECTRONIC: Techno, ELECTRONIC: Trance Details: From a Indie out post on the southern edge of Houston. Reporting new and original music from "Vector 7". Produced, written and arranged all by Will Hammond. Metro Eclipse Records is a new and diverse Independent label that has now started to get involved in the local, national and international music scene. With the help of the radio stations and Internet we hope to connect with everyone that enjoy good homegrown music. We will be coming out with different genres of music. Thanks for taking out the time to read this and hopefully you'll get a chance to listen to the CD that I have provided for you. If you have any comments or suggestions please contact me. Thanks
