1 Hour Forex Is Really Unique, So Easy to Use, and by far one of the Most Profitable Trading System I have Ever Used! It worked like a charm. Not only did I feel I really cracked one of the major market behaviors of the big players, but it also made a lot more sense to me, and to be honest, I was embarrassed not to have noticed this before. God knows how much money I lost as a trader falling for those fake outs day after day - but NOT NO MORE! what you will receive Whole\_Numbers.ex4 1HourForex.ex4 1 hour forex black.tpl 1 hour fx white.tpl 1\_Hour\_Forex\_Manual.pdf ( Users manual ) 8 Links for videos : S & R Horizontal Line S & R Trend Lines Whole & Mid Point Numbers S & R Pivot Points & Fibonacci Levels Candle Formations Entry & Exit Rules Entry & Exit Rules Discipline and Trading Tips
