Crimson Awakening Aubrey Ross While a stand-alone, this novel is best enjoyed when read with Crimson Thrall and Crimson Prey. Chantel Demarko is about to embark on a journey of self-discovery. Driven by instinct and soul-deep hunger, Chantel will experience glamorous balls, pagan rituals and the uninhibited decadence of ancient Rome. Two men await her surrender. Dark, demanding Thorne. And adventurous Jaron. Each appeals to her in their own way, but together they create a balance, an unshakable symmetry she has only imagined in her wildest fantasies. As she abandons herself to the wonder, she discovers the true potential of pleasure and finds reality itself is far more expansive than she ever dreamed. Boundaries crumble and time itself is redefined. But with new awareness comes new danger. Mysteries must be unraveled and Chantel must make painful choices before she can secure a future with the men she loves. Reader Advisory: If you're looking for the gentleman vampire, this is not the book for you. Blood is their life. It is very much a part of who and what they are.
