

Horse, Follow Closely: Native American Horsemanship - Gawani Pony Boy

Horse and rider are one. There is a relationship of trust, harmony, and respect born of a way of life that is all but lost. One man puts it within our grasp again. In this magnificent book, GaWaNi Pony Boy illustrates the traditional training methods-methods that are steeped in common sense and age-old wisdom-of his ancestors, America's first great horsemen. The stunning full-color photographs and simple eloquence takes us back to the days when horse training was not merely about getting results but about creating a bond for life. An inspiration for riders and a feast for horse and Native American culture enthusiasts, this book forges a relationship with readers that few books can ever hope to achieve.
