Made for Two Champions Madison Hayes Book 4 in the Made for Two series. On her twenty-fourth birthday, the queen of eYona must take her first lover. A competition is held and the strongest warrior wins the right to sleep at her side for a year. Yarionna has no choice in the matter—she must share her body with the champion. Camp has been in love with the queen for six years. During that time, the brutally handsome eYonan warrior has honed his body into the ultimate fighting machine. He’s determined to sweep the competition and make Yarionna his own. Unpredictable, impetuous and exquisitely male, Lieutenant Matchstick Maloney is just as determined to win. The Spaceforce officer from Earth hasn’t trained for six years but he’s inventive and resourceful. In short, he’ll cheat if that’s what it takes to finally bed Yari. While both men fight in the arena for the right to claim her, Yarionna falls to the force of their passion in the bedroom. Together the three lovers discover a prize greater than any of them ever imagined.
