Bang. Bang. plays "Sex Rock", a blend of glam, punk, new wave, no wave and garage rock all rolled up in a deliciously sexy vibe and attitude. Basically it's music to dance in your underwear to. 7 MP3 Songs
ROCK: Punk, ROCK: Glam Details: Bang! Bang! is Chicago's only self proclaimed "Sex-Rock" group. Comprised of singer/guitarist Jack Flash, Gretta Fine (bass) and Riley Alexander (drums), Bang! Bang! combines 70's Glam with a strong B-52's New Wave slant and early Punk ala Richard Hell. The end result is a sound that is both familiar and unique with an honest, yet cheeky, emphasis on sexual energy. Bang! Bang! have played with many well loved national acts such as Les Savy Fav, OK Go, Gossip and Bobby Conn. Bang! Bang! is certainly a band with image but not one to let the songwriting be eclipsed by it. In the world of Bang! Bang! style and substance live side by side in harmony, just like they did on your old copy of Ziggy Stardust.
