Hip, buzz-saw guitar and synth-tinged rockers from the modern underground. 11 MP3 Songs ROCK: Modern Rock, ROCK: Glam Details: SEX FOR THE JADED, the debut CD from Bash Lxe, features eleven gems of modern rock with a nod to the best of 70's glam and British blues rock. The songs are musically direct and lyrically to the point. Proto-punk guitars, splashy drums, and groovy synth drive the music while sardonic yet poignant lyrics give the CD substance without a heavy hand. Like a newsstand tabloid set to music, SEX FOR THE JADED is the product of a society where nothing is shocking, just sensational.
