Politically charged electronic-pop. Fusing digital manipulation, live instrumentation and female vocals. 6 MP3 Songs ELECTRONIC: Pop Crossover, ELECTRONIC: Down Tempo Details: Datenbergbau (Data Mining) is the second release by Toronto's electronic-pop trio Bleep. It is an enhanced CD, with 6 audio tracks and 2 video tracks, including a trance remix of "Euphoria" (from IMM 0008) by Nebullare. Lyrically highly political, this collection of songs represents a mix of live instrumentation and digital manipulation, featuring the prominent Toronto ambient artist, Wally Jericho, on the trumpet. Each CD is uniquely packaged in a hand-made and hand-printed origami wallet.
