gangsta rap 13 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: West Coast Rap Details: Blu is a very intelligent, enthusiastic, and exciting young man. He has everything a rap artist needs to succeed in the business. Look, style and lyrical ability, are just a few of the talents he has in abundance. He writes his own lyrics and genuisly creates his own beats. He could be the next super rap star of the new millennium. He is a money machine, an investment...a package of dynamite ready to explode on the scene. Blu is a spokesman, taking on the responsibility to verbally express the many unheard voices of the ghetto. As a veteran of the streets, the stories he tells are not fiction but reality in its purest.
