This is a sixteen song collection of my favorite songs written over a period of time. Good down to earth bluegrass music. 16 MP3 Songs in this album (55:58) ! Related styles: COUNTRY: Bluegrass, COUNTRY: Contemporary Country Details: I was influenced as a small boy by my brothers, Arnold Wallace Jenkins. This eventually led to the forming of the Jenkins Quartet which has had several different singers over the years. This group would appear at churches gatherings though out the surrounding counties. They also had some appearances on radio stations in Knoxville,TN and Waynseville, NC. I was a member of the square dance band at Fontana Village, NC for 2 seasons prior to serving 4 years in the navy. During my Navy career I had a band in San Diego, CA. at a place called "Rancho on Broadway". After a long break from music, while raising a family, getting an education and making a living, I formed a band called the Steele Creek Ramblers. We appeared at private parties,colleges,retirement centers and church gatherings. The Group is still active. I have been writing songs poems since I was a teenager. Hope you enjoy some my songs on my CD.
