

Mp3 Charles Murray - Baghdad City Limits

[DOWNLOAD HERE](#)

Laugh your way through Charles Murray's bizarro universe where Brian Wilson meets Che Guevara on a podcast generating from the nether regions somewhere between Abu Ghraib and the Oval Office. 12 MP3 Songs FOLK: Political, ROCK: Progressive Rock Details: Behind a wacked out backdrop of air raid sirens, atom bomb blasts, and barking dogs Murray skillfully skewers the occupants of the current political funhouse with a rollicking collection of 12 new tunes in his inimitable blend of dangerously witty lyrics and edgy baroque rock. This CD is a must have for any fan of Ordinary Times or Whats Next? Coming on the heels of the dreamily introspective Confessions of an Amateur this fabulous new release demonstrates that Murray has not lost his touch for Swiftean satire. The productions are stunning and each song twinkles with originality and insight.
