She is encouraged by the many testimonies of individuals who have been saved, healed, delivered, encouraged and converted under her ministry. Dawn spent a treasured five (5) years as a member of the World Renown Jamaican Gospel Group, Father Holung and Friends. During this time she enjoyed Ministry in various ways by singing to the poor, feeding the hungry and visiting the sick. Sharing in these special moments and holidays were indeed great opportunities. Dawn McDowell's Singing Ministry spans the traditional, contemporary, reggae, and modern styles of music. Her debut album Rejoice was well received by music lovers everywhere and within one year, produced her second album entitled Blessing in the Drops. Following in the path set before her, Dawn was again inspired to publish her third album entitled Salt of the Earth and after several years released the inspiring fourth album entitled Your Presence. The Lord has blessed Dawn's Ministry and has allowed her to perform with some of Gospel Music's best Ron Winan, Reverend Timothy Wright, Shirley Caesar, Candi Staton Alvin Slaughter to name a few. All the lyrics on Dawn's albums are centered on God, while they minister to various aspects of our lives offering encouragement, hope and challenge.
