The lyrical creativity and explosiveness of early 90's hip hop with a live band. A must get. 11 MP3 Songs

HIP HOP/RAP: Alternative Hip Hop, HIP HOP/RAP: Hip Hop Details: Anti-Social, the debut album from the live organic hip hop band First Team, is an energetically pure, very refreshing, and undilluted shift from the current mainstream conceptions of what hip hop is. The band catches the real meaning of old school hip hop, and do it in a completely new scholl form. Picture the Roots, Run-DMC, Talib Kwaeli, and Linkin Park rolled into one entity. The album is only surpassed by the stage show. A great buy anytime, and soon to be considered a classic.
