

Mp3 Gabriela - In The Interim

[DOWNLOAD HERE](#)

This singer/songwriter's sweet and soulful sound draws comparisons to Sheryl Crow and Norah Jones. Neo-soul, adult alternative rock with a twinge of jazz and a touch of sass. Her honest songwriting and captivating delivery will leave you wanting more. 11 MP3 Songs ROCK: Acoustic, POP: Quirky Details: Biography With a wide array of influences ranging from Stevie Wonder to the Beatles, Miles Davis to Mercedes Sosa, Annie Lennox to Seal, Ben Harper to Sheryl Crow, Gabriela is able to deliver just the right amount of soul and passion to captivate her audiences. In 2002, after several years of playing in different bands, it was time the world heard the voice and music of this angelic and sassy songstress, as a solo artist - a chance to really hone her performance and songwriting craft. Her solo acoustic shows are captivating and entrancing; groovin' and movin'. Her full band shows (supported by a phenom lineup) spark a mix of silky vocals, groovin' beats, driving hooks and a fun atmosphere that keep the crowds coming back for more.
