Show all album songs: Mr. Classic Presents the Greatest Album Ever Songs Details: From LA to NY, from France to Shanghai, HOLLYWOODS KIDNAPPED THE CULTURE! Originally from Palermo, Sicily, Mr. Hollywood Classic has made waves with his single "Mr. Cla\$\$ic" produced by the New York powerhouse production duo Batman and Superman. With the large internet reaction his first single and his myspace hit Crazy Vogue, H.Classic boasts to have more hits on new album than Tyson. Forgoing normal distribution channels, Hollywood Classic has still yet to release his album publicly, though allowing fans to e-mail album requests, with an estimate of over 400,000 granted, signed, and sealed copies worldwide. When asked why hes given his music away, Hollywood responds Music should be free, and I should get paid to look this good while making it! Never one to be silent, Hollywood Classic has also used his influential voice to start the Los Angeles Chapter of the National Action Network and currently acts the Official Westcoast spokesman for After School All Stars, the largest after school program in the country. Classic also provide community help by performing at restoration benefits for abandoned churches and youth centers. While volunteering with notable groups such as Americorps and the Boys and Girls Clubs of America, H.Classic is dedicated to using his talent to give back more than he receives. When asked about his volunteer work, Hollywood responds Id rather die poor believing I made the world better than live rich knowing I didnt. Now in 2008, Hollywood Classic is not only traveling the world but he is also releasing a 10-track album, entitled THE GREATEST ALBUM EVER, that he claims will change how people hear music!! Only time will tell if Mr. Classic can prove his bold statement; but one thing is for

certain, it will be VERY entertaining to watch him try!
