

Mp3 Jim Ferguson - Cedar & Silver

[DOWNLOAD HERE](#)

Creative yet tasteful and approachable, Jim Ferguson's music for solo guitar--buoyed by especially strong playing--melds world, jazz, classical, and blues elements into a unique language. 13 MP3 Songs

CLASSICAL: New Age, JAZZ: World Fusion Details: Compelling yet meditative, creative yet tasteful and approachable, Jim Ferguson's music for solo acoustic guitar-buoyed by especially strong playing-melds world, jazz, classical, and blues elements into a unique language. Since his 14-year tenure as an editor for Guitar Player Magazine, Jim has been nominated for a Grammy, written five guitar instruction books (including the best-selling All Blues For Jazz Guitar), appeared on National Public Radio, and taught music at the university level. The dynamic compositions and playing on Cedar Silver represent a recent culmination of his gifts that will be appreciated by guitarists and listeners alike.
