Acoustic Rock, a soulful blend of melody and lyric, instrumentation rich and powerful 11 MP3 Songs

ROCK: Acoustic, FOLK: like Joni Details: Singer/Songwriter Joan Berry released "Song for a Drummer" in August of 2001. Acoustic in origin, produced with a full rock band back up. The songs are of love and change; poetic and passionate, heartfelt and soulful. A guitarist and writer of 30 years, Joan is a rocker and a folkie with a blusey edge, her songs come from many experiences on life's road. Influences include Dylan and Joni, CSNY and all the great early rock bands; Joan's music is a wonderful combination of sounds and visions. Welcome!
