A New Sound that is gonna bring the EAST back, YOU BETTER BELIEVE THAT.... 16 MP3 Songs HIP HOP/RAP: Hip Hop, URBAN/R&B: R&B Rap mix Details: Joe Stallin, I'm 23 years old and have been in the rap game for 12 years. It's like a roller coaster, you go up and down and only the real survive. To become the #1 rap artist in the world has been my dream since I can remember. Not just for the money but the industry needs some real talent. Ever since Biggie Smalls (R.I.P) past the East hasn't been the same. We have East coast A&R's and producers going elsewhere to find talent when it is right in their face. So this is the reason I hooked up with DezeFoSheze an independent record label out of Atlantic City,NJ because he had more inspiration than half the labels that are majors. So that leaves me where I am today, putting my own CD out and hoping the world feels how I feel when they hear it. All I ask for from my fans is SUPPORT so if u don't cop 2 albums PLEASE cop at least 1. If I was a pysic I would predict my album will go platinum.
